

Use of Catch-Up Premium Secondary

Curriculum Area	Cost (£)	Name of Resource	Which objective will the resource target	Description of resource	Target Year Group	Number of students	Explanation of how the resource will help students catch-up
Art	£1000	Art packs	Homework	Subsidised Art/Textile resources	7;8;9;10;11;13	353	Supplement physically art/Textile resources that the students are either unable to purchase at an educational rate to complete work at home
Art	£700	Contemporary workshop practitioners in school on a day rate	Scaffolding & differentiation in lessons	Contemporary workshop practitioners in school on a day rate	11;	28	Bridge the gap of coursework requirements since the exam board has changed its weighting to 100% coursework. 2 day workshops to include a Textile Artist and a fine Artist to work in school in Term 2 subject to relaxation of COVID restrictions. Allow students to produce a final outcome which would be submitted as part of coursework
Performing Arts / Wellbeing	£200	https://pantoonline.co.uk/schools-groups	Homework	Online performance of Jack and the Beanstalk.	7;8;	270	Pantomime is a module within the KS3 curriculum. Usually Yr 7 & 8 attend the theatre to see a pantomime but this is now not possible. This will act as an activity for mindfulness as well as helping year 8 pupils catch up with a module that they were unable to complete last year. It has strong links to British Values but importantly, it would be beneficial for their mental health and self-confidence at a time when o many are deflated and anxious.
Maths	1015.25	GCSE Maths Edexcel complete revision & practice GCSE Maths Edexcel workbook	Remote learning	The Complete Revision and practice and Workbook.	10;11;	240	The complete revision and practice for Year 10 & Year 11. This will be used as an additional resource which will link into interventions and homework.

Also allows students to return to their own knowledge gaps. (£3500) Massolit is aimed at stretching the more able in particular with high quality lectures and relevant wider reading. Developmental time within department to harness teacher expertise and knowledge of our students into durable and individualised catch-up materials. (£400) Exampro is AQA and accesses marked examples for all past papers and digital mark tracker. (£60)
Music	£800	Beat Goes On workshop - Samba drumming Theory 1:1 tuition catch-up for Y11 GCSE student	Scaffolding & differentiation in lessons	Beat Goes On - Samba drumming. 1:1 tuition for a Y11	8;11;	Y8 - 120, Y11 - 1 student	The Beat Goes On workshop will fill the gaps from students being unable to access instrumental practice through lockdown and their return to school. It will prepare students for the performance and composing components of GCSE by teaching students to perform within an ensemble and also how to compose and develop musical ideas. The theory tuition for the Y11 student will fill the gaps in knowledge of Music theory and set works (as the student joined late during Y10 and has significant gaps in learning) in preparation for the GCSE exam.
Food & Nutrition	£163	Zigzag education- topic tests for AQA GCSE food and nutrition-£99 Topic on a page for AQA GCSE Food and Nutrition £64 revision for same course free until 1/1/21 !!	Remote learning	interactive challenges for self assessment and stretching student knowledge	10;	7	The fun element should encourage student interaction and develop their awareness of the topics as well as improving their subject knowledge.
Science	£1649+VAT	Access to Doodle Learn.	Scaffolding & differentiation in lessons	Doodle Science is an online learning platform	7;8;9;10;11;13;	Whole senior school	Help staff and students to first identify gaps in knowledge, and then provides ready-made resources for students to use at home, for homework or extra revision, and classroom resources that staff can use to ensure high-quality teaching. With such resources available, it will free up staff time to focus on interventions and tailored support for students that need it. Useful to improve the quality of remote lessons, as interactive animations are embedded for students to gain an idea of a practical when they

							are unable to complete it in class. This can also be purchased for the whole school at £5900 +VAT.
Science	£177	CGP combined Science workbooks and 10 minute test book.	Formative assessment through low stakes testing	CGP workbooks and 10 minute test books.	11;	20	These resources would be purchased for our Foundation year 11 group who struggled throughout lockdown without the support of teacher input. The workbooks would provide an opportunity for students to revisit their GCSE work from previous years and assess their understanding and therefore identify gaps in knowledge. The 10 minute test books would be used as low-stakes testing by staff to further inform what support is needed, so that teaching can be adapted quickly and easily. The students who would benefit from this resource are those which require the most support with their learning in school.
Science	£692.95	CGP knowledge organisers	Knowledge / Graphic organisers	CGP knowledge organiser books	11;	118	All key points/information summarised for each topic of the three year course, students can quickly identify and fill any gaps in their knowledge and improve their understanding of new topics yet to be taught. With a full set of shortened notes already prepared, students can use their time to learn and recall the information.
Science	£154.25	Class sets of mini-whiteboards	Formative assessment through low stakes testing	Class sets of whiteboards, erasers and pens. One for each year group	7;8;9;10;11;13;	Whole school	The availability of whiteboards will allow staff to implement more low-stakes testing into their lessons without it being time consuming, or without the need for printing paper based tests/quizzes, allowing frequent opportunities to recall and apply the knowledge they have acquired in assessment situations.
Science	£101.88	6 month Twinkl subscription for 2 department members	Scaffolding & differentiation in lessons	TWINKL is an online resources site that provides high quality teaching and learning resources	7;8;9;10;11;	Whole school	With 2 staff members having access to the site for 6 months, it will allow sufficient time for those staff members to view resources. With differentiated resources available for staff to use it will save planning time and reduce staff workload and also ensure that students of all abilities can access the learning and make more progress as a result.
Science	£793.50	https://www.my-gcse-science.com/	Remote learning	This site gives access to comprehensive resources for students and automated marking for swift teacher feedback.	11;	118	My GCSE Science provides the highest-quality video tutorials available, which can be used to teach new topics from scratch. The videos are tightly integrated with resources for retrieval practice and exam preparation, as well as student feedback tools and teacher assessment tools. With individual access to resources, including high-quality learning videos as, remote learning will be of the highest possible quality. This will not only assist those students who have to take time away from school, but all students who choose to continue with/improve their learning outside of the classroom.
Business	£616.80	AQA GCSE (9-1) Business Knowledge Book AQA GCSE (9-1) Business Calculation Practice Book AQA GCSE (9-1) Business Course Companion	Knowledge / Graphic organisers	Knowledge organisers and workbooks	10;11;	62	Students will use workbooks to go over Units that have not been covered fully due to lockdown, this could be done in class, remote learning and/or homework.
