

Can drawing cover

1. On a new single A4 page in your book , write the title and date.
2. Using a sharp pencil draw a tonal scale like the example
3. Spend a minute observing your chosen object, choose an interesting angle to draw it from.
4. With a sharp pencil, lightly draw the outline to fill most of the remaining page, add all details lightly and accurately then shade in a full range of tones (white through to black).

Crushed can/ object observational pencil drawing

Make it look as realistic and accurate as possible!
Good luck! 😊
