

Lady Royd Primary Sports Premium Funding 2019-2020

What is Primary Sports Premium Funding?

In 2013, the government pledged to provide additional funding to primary schools to improve PE and sport provisions. The funding is provided by the Departments for Education, Health and Culture, and Media and Sport. The funding is provided directly to primary schools and must only be spent on improving the quality of sport and PE, for all school children.

How much funding do Primary Schools receive?

For the 2018/19 academic year, each school received £16,000, plus an additional payment of £10 per pupil. The money can only be spent on sport and PE provisions in schools. Lady Royd Primary received £19,000 PE and Sports Premium funding for the 2019/20 academic year.

How are we obliged to spend the funding?

We are required to use the funding to make additional and sustainable improvements to the quality of PE and sport we offer. The government lists five key indicators for which schools should expect to see an improvement.

1. The engagement of all pupils in regular physical activity – The Chief Medical Officer guidelines recommend that all children and young people aged 5-18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole- school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport.

Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.

To guide us in our use of the funding, the government suggests ways in which we can effectively use the money. These include PE and sport focused staff training and development; hiring qualified sports coaches; offering activities/school clubs targeted at less active children; entering more tournaments and competitions; and embedding physical activity into our school day as much as possible.

Lady Royd Primary Sports Premium Funding 2019-2020

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • 24% of students who have represented school in competitive inter schools' competitions. • 52% of students who attend extra-curricular sporting activities • New and improved equipment allowing broader range of sports to be accessed by all students. • New sports on the curriculum- cricket • Coaching sessions from local trampoline club and cricket coach • 100% participation in whole school sporting activities, Year 1- Year 6 (swimming gala, sports day, sports house events) • Sport in the news displays – updated weekly to promote sport beyond school. • Increased knowledge and confidence of PE teaching through team teaching. 	<ul style="list-style-type: none"> • Increase percentage of students who have represented school in competitive inter schools' competitions. • Aiming for Silver accreditation for School Games. • Further development of knowledge and confidence of PE teaching in all sports. • Engage with the local sports clubs to increase sports participation beyond school and into the community.
Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	77%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	88%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	77%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
