

Revision timetable 2023 15/05/2023 – 26/05/2023.

Notes:

- Pupils should go to normal timetabled lessons if not in an exam or a P5 revision session. These lessons will be focused on revision. Pupils will be allowed to revise for any subject in these lessons if they wish to do so, but subject teachers are there to provide individual subject support if required.
- Subject specific sessions have been timetabled for P5 on most days, indicated in yellow. If the session does not relate to them, eg Wednesday 17.05.23 then pupils should attend normal lessons. These sessions will mainly take place in the School Hall with the use of some additional rooms which will be displayed on the doors to the Hall for each session.
- Pupils taking an examination in the afternoon are allowed to leave school, but must sign out at reception before doing so. If they would like to stay on site then they should go to the library until the end of the day.

From 05.06.2023 onwards, pupils will be able to study independently at home, making sure they come in, in plenty of time for examinations. If they wish to study at school, we would be delighted to see them. We will staff a silent working room each period until exams have finished. If pupils want to make use of this facility, they must sign in at reception, only use the allocated room during timetabled lessons, and make sure they sign out when leaving. Pupils are welcome to wear their leavers hoodies, if purchased, with their uniform after 05.06.2023
