Keeping Our Girls Safe Outside School

A plea to all parents and carers: please help us keep our girls safe.

The safety of our students begins before they even reach the school gates. Each morning and afternoon, the roads around school become extremely busy, and we are increasingly concerned about unsafe and inconsiderate parking.

We completely understand that the start and end of the school day can be busy and stressful. However, we are asking every parent and carer to please think carefully about where and how you park.

Please do not park or wait on the zig-zag lines outside school. These markings are there for a very important reason – to protect pedestrians and give our girls a clear, safe view when crossing the road.

Please do not park on the double yellow lines. These restrictions are in place to keep traffic moving and, most importantly, to prevent dangerous situations for pedestrians and other road users.

If you are legally entitled to use a Blue Badge and park where permitted on double yellow lines, please ensure that your badge is clearly displayed and that you comply with the relevant parking restrictions.

We also ask that parents do not block entrances, crossings, pavements, residents' driveways or other vehicles, and please avoid stopping in a way that forces our girls to walk into the road.

A few extra minutes spent finding a safe and considerate place to park could make a huge difference.

This is not about making life difficult for parents. It is about keeping our girls safe. We want every student to arrive at school safely in the morning and get home safely at the end of the day.

Please set a positive example for our young people by parking responsibly, being patient and showing consideration for our school community and local residents.

Please help us. Please be considerate. Please park safely.

♥♥ Keep our girls safe.

Every Day Counts, Every Class Matters

Welcome to Week Two of the New Academic Year!

As we begin our third week of the new school year, we would like to extend a warm welcome back to all our returning students and families. We would also like to give a special welcome to our newest members of the school community, Year 7, who have made a fantastic start to their journey with us. It has been wonderful to see students settling into routines and building new friendships.

At the start of a new academic year, establishing good attendance habits is one of the most important foundations for success. While it can be easy to think that missing a day here and there will not have a significant impact, those missed days can quickly accumulate into weeks of lost learning over the course of a year. In a busy secondary school environment, lessons move at a fast pace, and regular attendance helps students stay engaged, confident, and fully involved in their education.

Every lesson attended is another opportunity to learn, grow, and succeed. By ensuring your child attends school every day and arrives on time, you are providing them with one of the most valuable tools for long-term confidence, wellbeing, and academic success.

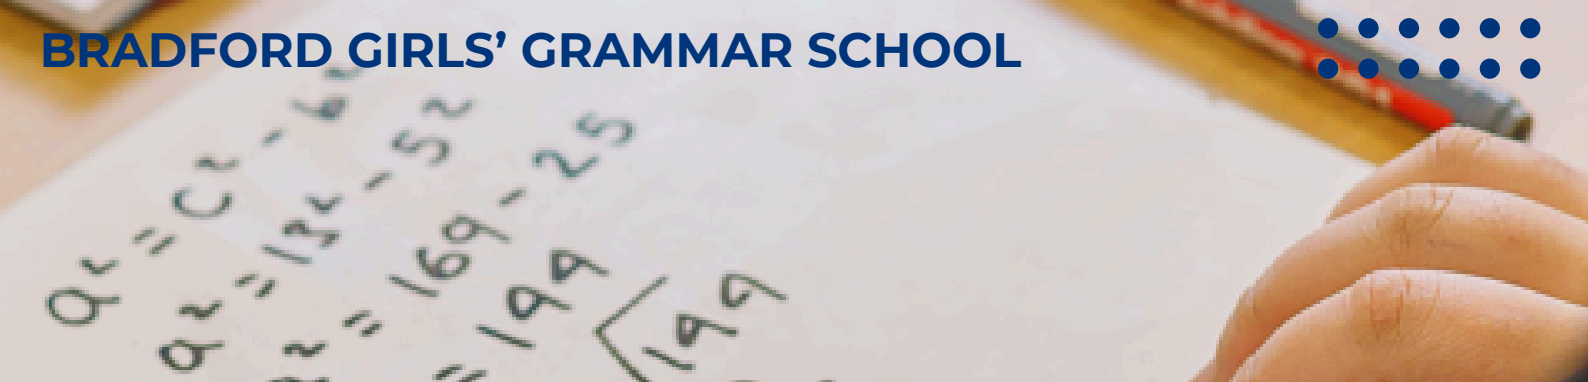

Thank you for your continued support and partnership in making daily attendance a priority. Together, we can ensure that your daughter's have the best possible chance to achieve their full potential this year.

BGGS Word Of The Week

destruction - the act of damaging, ruining, or destroying something

e.g. The storm caused great destructuion to building and roads across the town

Looking for support for your child with Special Educational Needs?

Did you know that Bradford's Local Offer brings together information, advice and support for children and young people with Special Educational Needs and Disabilities (SEND) and their families?

☀ The Local Offer can help families find information about:

- 📖 Education & SEND support
- 💬 Advice and guidance for families
- 🧠 Health and wellbeing services
- 🏠 Social care and support
- 🎨 Activities, clubs and things to do
- 💼 Preparing for adulthood
- 📋 Education, Health and Care Plans (EHCPs)
- 🤝 Support available locally

Whether you are beginning to explore your child's needs, looking for additional support, or wanting to understand what services are available in Bradford, the Local Offer is a useful place to start.

At BGGs, we believe every young person should have the opportunity to thrive, belong and succeed. 💙

🔍 Explore Bradford's Local Offer and discover the support available to you and your family.

Behaviour Bite: Smart Movement Through Corridors Every Adult, Every Time

At Bradford Girls' Grammar School, we know that culture is built in the small moments. Every transition between lessons provides an opportunity to reinforce our high expectations and create a calm, purposeful environment where learning can thrive.

Excellent corridor conduct does not happen by chance. It is achieved through consistent routines, visible staff presence and clear expectations from every adult across the school.

Why Does Corridor Conduct Matter?

The way students move around the school communicates our values and standards.

Calm, orderly transitions:

- Maximise learning time.
- Promote safety for all members of our community.
- Create a positive and welcoming atmosphere.
- Demonstrate respect for others and the learning environment.
- Reflect our ambition and high expectations for every student.

When expectations are reinforced consistently, students understand what excellent conduct looks like and are more likely to meet those standards every day.

What We Expect from Students

Students should:

- ✓ Walk with purpose and move directly to their destination.
- ✓ Keep to the left and follow the one-way system.
- ✓ Use inside voices and remain considerate of others.
- ✓ Demonstrate courtesy and respect to staff, visitors and peers.
- ✓ Move calmly and safely at all times.
