1. Policy Statement

The uniform policy has been created to support students and families on how to meet our high expectations of uniform.

At Bradford Girls' Grammar School we believe that uniform plays an important role in our school community:

- We want the girls to take pride in their school. We want them to represent the school positively and with pride in the local community.
- We want to alleviate the pressure that young people face to wear a particular brand or style of clothing.
- We want to prepare the girls for the workplace; it is likely that they will need to wear a particular style of clothing or uniform when they leave school and enter employment.

5. Additional Guidance

School Skirts or Trousers

- School skirts must be of a suitable length above the knee.
- Tight fitting, tube skirts are not acceptable.
- School trousers should be smart, tailored trousers. Jeans, fashion trousers and leggings are not acceptable. Cropped trousers are also not permitted in school.

PE Trainers

- Pupils must wear trainers that are specifically designed for sport. These will provide the correct cushioning, motion control, tread and mid-foot stabilisation which will offer the best support for the foot and ankle and thus minimise any sports injuries.
- Flat fashion pumps and 'high-tops' are not acceptable. These are dangerous, offering little support or grip and have been the major cause of injury.

PE Kit

Jogging bottoms, leggings, fleeces, and sweatshirts worn for PE must be plain navy blue or black and must not have sporting logos on them.

All pupils must wear the gold polo shirt for their PE lessons.

Bags

Bags should be sturdy and large enough to carry an A4 folder.

Shoes

Shoes must be formal and flat.

Accessories

Hair accessories and socks must be plain navy blue or plain black.

6. Incorrect Uniform

If a student comes to school in the wrong unform the following will apply:

- If the school have the correct item of uniform the girls will be asked to change.
- If they do not have the correct item of uniform the girls will be offered the chance to borrow uniform from the uniform store based in the basement.
- If we do not have the item of uniform available, the girls will be held in our Reset room where they will follow the same curriculum as other students in the school. We will endeavour to support students to get the correct uniform as soon as possible so they can return to mainstream

lessons. For example, we may ask the parent or family member to bring the correct uniform to school.

If a medical condition prohibits students from wearing the correct uniform, then a doctor's note must be provided.
