Library News

Tom Palmer a famous author came and opened our brand-new library, cutting the big red ribbon on the way into our new space. He especially liked the mural on the wall and was very impressed when the children told him that the pupils had designed the Aspire value characters.

After opening the library, he talked to pupils in years 3 and year 6 about being an author.

Eshal Y6 "He is such a great role model for anyone wanting to be an author and he gave us time to ask lots of questions."

Yusuf Y3 "He told us all about his new book Artic Star and it sounds very exciting."

Virtual Author Visit

Year 5 pupils were delighted to meet author Andy Griffiths over zoom, all the way from Australia.

Isa said, "He was so creative and unique in his books."

Mariam said, "I want to borrow all the books from the library NOW."

Miss Joshi said," He was so friendly and spoke to the children with lots of enthusiasm about the Tree House book series and created a real buzz in our classroom."

We are always looking to expand our library. If you have any books in good condition, that you have enjoyed and no longer need, why not donate to our library. We appreciate all donations. Thank you
