

Reading at Home

KS1

Go Read App and Oxford owl

Why are we using e-books?

- ▶ We have several books that haven't been returned to school
- ▶ We need books in sets of 6 for our group reading lessons
- ▶ We have spend several thousands of pounds on books
- ▶ We already pay for the online subscription which offer a selection of books rather than just 1 per week.
- ▶ The Go read app rather than reading records allows a record of reading for a child's whole school life rather than per year.
- ▶ It saves paper and the environment!
- ▶ It is cheaper and more efficient as we can easily see how many children have read at home and collate data quickly.
- ▶ Records don't get misplaced at home or in school.
