Spring 2022

World Book Day 2022

It was lovely to see so many children coming to school dressed as their favourite book character on World Book Day and being able to spend time reading and talking about their books. Mrs Jackson's class are shown here with their book.

The Big Yellow Bus

The Big Yellow bus came to Visit Lady Royd from the Bradford Literacy trust. This was a big old American yellow school bus that had been shipped over from America and fitted out to be a moving library so children can access it from all over Bradford. They ran a workshop specifically for Dad's and another for all parents which were well attended and thoroughly enjoyed by both children and parents.

Competition Winners

Congratulations to Mariam 4L and Rameen 2P who correctly guessed the most teachers who were hiding behind a book. As competition winners they both received a £5 book token.

Reception Welcome Surprise Readers from Years 5 & 6

Pupils in years 5 and 6 enjoyed making a recording of themselves reading a book which was then shown to our reception children. Reception children loved hearing the recordings and thoroughly enjoyed the stories. If you think your child would be interested in making such a recording for our younger pupils, please ask them to speak to Mrs Newman in the library.

Competition

To all our primary pupils - What is the most unusual place you read? Can you read playing football, eating your tea, swinging on a swing or resting in a cupboard. If so, get your parent or carer to take a photo of you reading and enter our new competition. Bring your photos into school after the holidays. The competition is open to all primary pupils and we need to receive your photos by Friday 29th April.

We will shortly be sending out Overdue Book Letters. There will be a charge of £5 for each book lost to cover the cost of a replacement. Please ensure your child looks after their library books to avoid any charges.

Lady Royd Virtual Storytime

Every Thursday at 3:45pm Mrs Newman and Mrs Long read a story over Teams to the KS1 children. Different classes vote through the week to decide which book will be read. There have been some great class choices this term and a wide selection of books read, including those requested by individual pupils.

School will send out the Storytime link to parents each Thursday afternoon, please check your inbox!

Happy holidays and happy reading!
