27.05.22

I know that I say this every time but I can't believe we are at the end of Summer 1.

This week has been particularly busy, especially with Ofsted visiting us. I understand you would all like to know the outcome of the inspection, but unfortunately we are unable to share this until the report is published which is usually in a couple of months following the visit. One thing I can say though is that I was incredibly proud of our pupils; they represented Lady Royd brilliantly and thoroughly demonstrated our ASPIRE values.

Also thank you to the many parents who gave us such kind messages of support when Ofsted were inspecting the school – it was very much appreciated.

Well done to Year 2, who have completed 'special booklets' also known as SATs, over the last couple of weeks!

In Year 2, SATs are used to inform teacher judgements at the end of the year. All the staff were really proud of them and say they really demonstrated 'Pilly Perseverance' value.

Just a reminder that in June, Year 1 pupils will complete the Phonics Screening Check and Year 4, the Multiplication Check. So please keep practising over the holiday!

END OF YEAR 6 WORKING PARTY

Thank you to the parents who volunteered to be part of the 'End of Year 6 working party' to ensure that our pupils have an amazing end to Year 6. Further information will be sent to Parents after the half term break.

Unfortunately, due to different schools having different transition days we have had to change the dates of some important events.

Monday 5th July 2pm: Production and Leavers Assembly

Tuesday Sports Day and Year 6 SATs results

Thursday 3:45 - 6pm End of Year 6 Celebration

Yesterday, pupils participated in an important First Aid Assembly which covered:

- The First Aid message
- Getting help
- Calling 99 and shout it and be proud

Pupils took part in group challenges, solved First Aid problems and the CPR challenge!

Attendance Counts!

Congratulations to Reception class RL who have had the highest attendance this week— an amazing **100% Attendance!**

The winning house this week is **GREEN**

Look out for your flag flying on Monday!

Please ensure that your child arrives at school on time.

100%

Please remember to also read Mrs Martin's letter every Friday as this also includes information relevant to Lady Royd parents.

News and Notices

WORLD OF WORK DAY

As mentioned in our last newsletter, we are looking to hold a 'World of Work Day', which will be linked to a range of careers.

We would therefore love to hear from any professional who would be willing to come into school to talk about their career.

If you, or if you know of anybody, who would be willing to talk to our pupils about your job; what the job entails, the best parts of the job, what qualifications are needed to do the job, then please contact either Mrs Meares or myself. We would particularly welcome anyone who has a job linked to Science, Technology, Engineering or Mathematics.

Also on our 'World of Work Day' we would love our children to come into school dressed in the clothes for either a job they wish to do when they are older or that shows the career they would like to follow.

Lady Royd Heroes

Congratulations to our Lady Royd Heroes for Summer 1. It has been recognised by your peers that you are setting a great example and following our ASPIRE values!

RL: Abiha, RP: Mohammed Yahya

1L: Ameera, 1P: Humera

2L: Maya, 2P: Anum

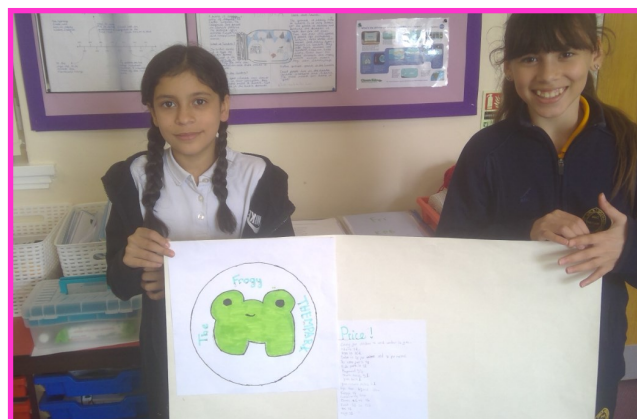

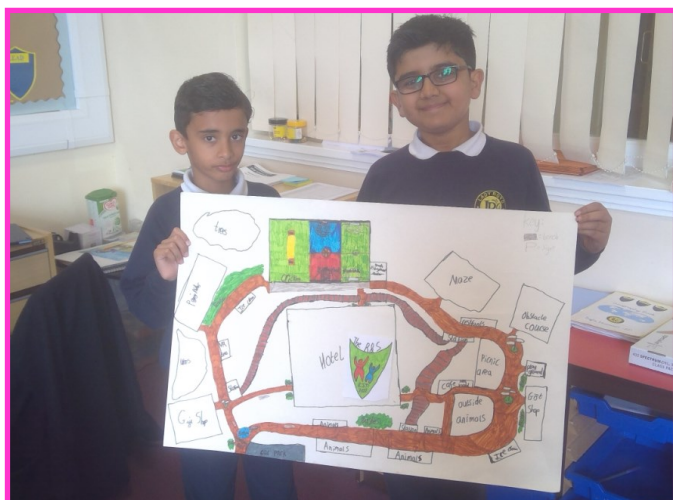

3L: Zaina, 3P: Favour

4L: Menaal, 4P: Eshal and Alisha

5L: Amooz, 5P: Sa'diyah

6L: Zara, 6P: Zoya

Some of our Year 6 pupils have been demonstrating fantastic perseverance and have enjoyed completing the 'Theme Park Challenge'. They have worked co-operatively to plan, design a theme park and have had to use their maths knowledge to work out how to make the park more profitable! Fantastic work Year 6!

On Monday, Year 1 enjoyed their first ever school trip to Yorkshire Wildlife Park. Pupils spent the day exploring the park, learning information about all the animals and they even had the opportunity to touch and hold giant snails, lizards, cockroaches and even a Panda's skull! In school they have been busy following up on their learning and have also written recounts about their trip.

London Trip

On Wednesday morning, we waved many of our Year 6 pupils off on their first residential to London. Due to Covid, this was the first overnight stay for our Year 6 pupils but the pupils could not wait to set off and enjoy their adventure! Parents on the other hand ...well there was definitely a mixture of smiles and tears!

Residential are a great way to develop independence, support self confidence and self esteem, in addition to all the interesting information pupils learn. They have had a great time and made many lasting memories. Their trip was jam packed with activities, including a visit to the Science Museum, London Eye, KidZania, a walking tour and a trip to the West End to see Matilda.

Thank you to parents for supporting the trip, to Ms Heathcote and Mr Biggin for organising and arranging the trip and to all the staff volunteers who have given up their time to provide our pupils with such a memorable experience!

Platinum Jubilee Celebrations

Today, all our pupils dressed up in red, white and blue to celebrate the Queen's 70 years of service as reigning Monarch. They have learnt about the significance of this event and other interesting information relating to the Platinum Jubilee. Activities have included art, writing letters to the Queen, DT, PSHE, History and Geography. Pupils took part in 'A Royal Drawalong' with the author and illustrator, Nick Sharratt. Pupils had a fabulous time have created excellent pieces of Art work.

Pupils love their BGGGS Jubilee commemorative badge which they have been given to mark the Queen's Jubilee so they can have their own souvenir of the day to remember our celebrations for years to come.

Thank you to all our parents who joined in with our Jubilee Showcase events this afternoon and it was so lovely to see so many of you, along with members of our local community, staying for afternoon tea after school! I hope you all have a lovely break and enjoy many of the local events happening to celebrate the Jubilee.
