

Lady Royd News Update

Next week, pupils in Lady Royd will be taking part in **Walk to School Week** and will also be learning about **Clean Air Day** on 16th June. The Walk to School initiative is organised by the walking charity **Living Streets** and is designed to help pupils experience the importance of walking to school. Children will be well on their way to reaching their recommended 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day, but it will also help create healthy habits for life.

This year's challenge, **#PowerUp**, will engage pupils through video game-inspired design, encouraging them to travel sustainably to school every day of the week.

Each pupil will be challenged to travel to school sustainably (walk, wheel, scoot, cycle or Park and Stride) every day for one week using wallchart and stickers to log their journeys. Each class will work together to make as many active journeys to school as possible across the week. Individual activity diaries, daily stickers and end of week bookmark rewards will complement this activity, reinforcing the benefits and keeping children engaged.

What do I need to do as a parent/carer? We ask, if possible, that you make arrangements so that your child/children can travel actively to school next week and help our school to reduce congestion and pollution around the school gates. In return, your child will earn special stickers and a bookmark. Walking, wheeling, scooting and cycling all count! If you live far away from school and need to drive or take public transport, why not try parking the car or hopping off the bus ten minutes away and walking the rest of the journey.

Thank you for your cooperation.

Keeley Poole, Head of Lady Royd
