2	School Council Presentation	<u>Who we are:</u> We aim to meet every fortnight, each meeting focuses on an issue or topic, we discuss as councillors how to move forward with these issues. Each councillor then meets with their class to discuss ideas about changes and improvements to the school. <u>What we have achieved:</u> This year we have worked as a school council on different things, our biggest achievements so far have been the launch of a school council page on the school website, behaviour pupil voice, charity events, interview panel, improving school dinners and asking for opinions regarding the uniform. For us as a school council, our favourite thing that we have done this year was to when we met with Mr Booth, who is the catering manager for the whole school, to discuss school lunches. We discussed with Mr Booth the current options and how we can improve. This led to the introduction of sauces such as ketchup with our food and a salad bar, which everyone seems to enjoy. <u>Next Year</u> Lady Royd thoroughly enjoy raising money. This year we have supported the Poppy Legion, Children in Need and Comic Relief. Raising money is something we hope to continue next year, we hope to do this by introducing a		Mss Joshi to write presentation notes and create PowerPoint with Senior School  Abdul, Madhia, Maaria, Safa and Zainab to work with Eco Council and Anti-bullying to organise order and opinions	

		<p>charities committee which will solely focus on raising money for different causes</p> <p>Another target for next year is to involve pupils more in the changes that happen in school. We hope to ask pupils in Lady Royd questions about the school environment, teaching and learning and how to make school an even better place. We hope to do this using surveys and whole school meetings</p>	
Next Age nda	Review school dinner menu with new ideas for Mr Booth to work on over the summer holidays
