The School Day

These are the times of the school day from September 2022.

Lesson times have changed slightly next year, but the start and finish times are the same.

Students need to be in school by **8.30am**.

Form time is at 8.40am. This is when they have assemblies, read their books, are given notices and information, have a Thought for the Day, reflect on current affairs etc.

Their Form Tutor will check they meet required standards every day:

- ✓ Uniform
- ✓ Equipment
- ✓ Planners

Form tutors know your child the best as they see them every day, and so take care of their general wellbeing. They are the best person to contact with any concerns.

The end of the day is **3.15pm**.

Extra-curricular activities take place **3.15pm – 4.00pm**.
